Looks like a job for... YOU!

8.5 million UK homes don't have a room thermostat*

BE AN INSTANT HERO!

By fitting thermostats you can help customers reduce their energy costs!

BECOME A HIGH FLYER

To WIN over £100 worth of High Flyer gift vouchers visit:
www.fitathermostat.com

When entering, please quote competition code **AD-11**

Scan me for more information

EN3H-3078UK01R0911

Heating and hot water account for over 80% of domestic energy consumption.* And the price of gas and electricity is going through the roof...

By fitting room thermostats, you can help your customers to heat their homes more efficiently and reduce household bills by up to £10 a month.**

Encourage your customers to fit a thermostat

Always be on the lookout for opportunities to upgrade heating controls and save your customers money

Whatever the installation, wired or wireless, there's a Honeywell product to suit all situations.

* Government figures from BERR

** TACMA potential savings figure based on a four-bedroom semi-detached house.

Honeywell

Find out how you and your customers can benefit from upgrading heating controls at:
