SANIFLO Maserators

Our Price £

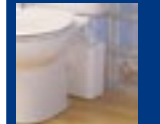

Macerator and pump for discharge of waste and water from WC, shower, washbasins and urinals. Ideal for offices, hotels & guest houses.

SANIBEST maserator 551.56

Minimalist cisternless ceramic WC with a built in macerator pump and an automatic push-button flush connected directly to the domestic water supply.

SANICOMPACT maserator 505.77

Means you can install an extra WC almost anywhere.

The Saniflo macerator pump unit fits unobtrusively behind the WC.

SANIFLO wc maserator 299.73

Specially designed to enable the complete concealment of pipework with back-to-wall and wall-hung sanitaryware.

SANIPACK wc maserator for BTW pans 413.66

Saniplus will take the waste from a wc, basin, and a shower.

SANIPLUS wc maserator c/w multiple inlets 475.58

An ideal way to install an en-suite shower room, enabling, e.g. a large bedroom to be improved with en-suite facilities. It is easy and economical to install and can be concealed behind a demountable panel to give access if required.

SANIPRO wc maserator for en-suite shower 412.28

Ideal for basement installations
 Will take waste and water from a shower and wash basin. Can be concealed beneath shower tray.

SANISHOWER shower/basin waste water pump 238.67

specifically designed to accommodate slimline sanitaryware. With a depth dimension of only 120mm it eliminates the need for a spacer between cistern and wall.

SANISLIM for WC basin & shower 417.57

Add a cloakroom, washroom or toilet in a home extension, in a basement or loft conversion, or as part of any home improvement where conventional large bore pipework is impractical.

SANITOP WC maserator c/w basin inlet 352.90

Add a kitchen or utility room with dishwasher, washing machine and tumble dryer in a home extension, basement or loft conversion without difficult and expensive additional plumbing.

SANIVITE For sink, WM and dishwasher 366.33
