SANIFLO Maserators

Our Price £

Macerator and pump for discharge of waste and water from WC, shower, washbasins and urinals. Ideal for offices, hotels & guest houses.

SANIBEST macerator	518.23
--------------------	--------

Minimalist cisternless ceramic WC with a built in macerator pump and an automatic push-button flush connected directly to the domestic water supply.

SANICOMACT macerator	475.20
----------------------	--------

Means you can install an extra WC almost anywhere.

The Saniflo macerator/pump unit fits unobtrusively behind the WC.

SANIFLO wc macerator	281.62
----------------------	--------

Specially designed to enable the complete concealment of pipework with back-to-wall and wall-hung sanitaryware.

SANIPACK	388.67
----------	--------

wc macerator for BTW pans

Saniplus will take the waste from a wc, basin, and a shower.

SANIPLUS	446.84
----------	--------

wc macerator c/w multiple inlets

An ideal way to install an en-suite shower room, enabling, e.g. a large bedroom to be improved with en-suite facilities. It is easy and economical to install and can be concealed behind a demountable panel to give access if required.

SANIPRO	387.37
---------	--------

wc macerator for en-suite shower

Ideal for basement installations

Will take waste and water from a shower and wash basin. Can be concealed beneath shower tray.

SANISHOWER	224.24
------------	--------

shower /basin waste water pump

specifically designed to accommodate slimline sanitaryware. With a depth dimension of only 120mm it eliminates the need for a spacer between cistern and wall.

SANISLIM for WC basin & shower	392.34
--------------------------------	--------

Add a cloakroom, washroom or toilet in a home extension, in a basement or loft conversion, or as part of any home improvement where conventional large bore pipework is impractical.

SANITOP	331.57
---------	--------

WC macerator c/w basin inlet

Add a kitchen or utility room with dishwasher, washing machine and tumble dryer in a home extension, basement or loft conversion without difficult and expensive additional plumbing.

SANIVITE	344.20
----------	--------

For sink, WM and dishwasher
