SMARTFIT

Our Price £

For the installer, Smartfit provides many profitable time and cost saving benefits.

At the centre of Smartfit is a revolutionary new connection box which provides plug-in or simple 2-wire connection for all space heating and hot water controls, completely eliminating the need for complex wiring diagrams. All the controls have been designed for low voltage, polarity free connection. Installation is quicker, chances of error are reduced to the minimum, and can be achieved with total confidence. Right First Time is now a reality.
